THE COVENANT

You being in the Presance of the most High and Holy God, whose Throne is in the Heavens, after humble acknowledgements of your unworthiness, and being awfully sencible how great a thing it is to transact in Covenant with God; You do in humble confidence of his Gracious Assistance and acceptance through Christ, this day explicitly own your Covenant with God, and with his Church.- You do freely give yourself to God, whose Name is Jehovah, Father, Son and Holy Ghost and to our Lord Jesus Christ, as your only Saviour, Prophet, Priest and King, promising by the help of his Grace to cleave to God as your chief Good, and to our Lord Jesus Christ by Faith. New Obedience, as it becomes those who transact in Covenant with
P.2 God the Father, Son and Holy Ghost. And you do also give up yourself unto the Church in the Lord and promise to walk together with them according to the Will of God, and subject yourself to the Discipline and Government of Christ in his Church, and duely attend the Ordinances he hath instituted therein, according to the degree of knowledge and Communion you have attained unto.

THE CONFESSION OF FAITH.

1st. - We believe the Articles of the Christian Faith, as they are contained

in the Scriptures of the Old and New Testament, particularly

1st, - We believe there is One only living and True God, in three persons, the Father, Son and Holy Ghost, the Great Creator, Preserver, and Governor of the World.

2ndly -We Believe that God did make Man in his own Image, Consisting in Knowledge, Righteousness and True Holinoss,
P.3 But that by his Disobedience he has fallen from that Holy and happy State, and plunged himself into a State of Sin and Misery, out of which he Cannot recover himself, and in which he might have been justly left of God forever.

3rdly -We Believe, that God out of his meer Grace has opened a New way of Life to a fallen Sinfull, Guilty World, by the Mediation of his son Jesus Christ, who hath offered up himself a sacrifice of Atonement to God for the Sin of the World, and that all are Invited to put their Trust in him, and return to God through him, and that there is Salvation no other way.

4thly - We Believe, that Mankind in their Present fallen State, are Dead in Sin, and so contrary to God, and averse to a Reconciliation, that without the Special Influence of divine Grace, they never will Savingly Hearken too, and Comply with the Call of the Gospel; so that the Conversion and Salvation of Sinners is really owing to the distinguishing Sovereign Grace of God.

5thly - We Believe, that Sinners are Justified by Faith in Christ Jesus and Saved by Free Grace; but yet the Law as a rule of Life remains in full force to Believers; so that perfect Holiness of Heart and Life is their Duty. Nor does the Gospel of free Grace in any sort Countenance or Encourage them to Live in the least Sin.

6thly - We Believe that all True Saints shall finally Perseveare and be recoved by the Grace of God to perfect Holiness, and be perfectly Happy in the Eternal Enjoyment of God; while the Wicked and Impenitent shall go away into Everlasting Punishment.

This Church was formed into Church State by the Revd. Mr. Robins of Norfolk, in the begining of the year 1781, leaving out

A Church meeting was called on account of Benjamin Parker's resigning the Office of Deacon.
Benjamin Parker to Continue in office if not to Officiate, and made choice of Lovel Parker, his son, to officiate in his stead. At the same time Complaints were exhibited against Luther McNiel, a Member of this Chh for misbehaviour in several cases. After conversation with Mr. McNiel upon the subject, and to obtain further Evidence, The Chh. Mr. McNiel agreeing to it, appointed a Committee to examine into the Matter of Complaint. Ozias Case, Jared Raxford and Gideon Mills Junr. were appointed the Committee. The Meeting was adjourned to the first Day of January next.

disorderly and unworthy of the Christian Character. The Church unanimously agreed we ought not to wait any longer, and

1805, Aug. 30

As several reports had been circulated greatly to the disadvantage of Clement B. Willy, a member of the Chh, two of the members of this Chh. viz: Deacon Joseph Wilder and William Taylor declared to the Chh that they had taken the two first regular steps of the Gospel with him, and in Conversation laid before him the accusation reported against him, and Mr. Clement B. Willy being then present with the Chh. denied the Charges exhibited against him by these two Brothers, except the one of his neglect of the sabbath and all Christian ordinances for a length of Time past.

At that Time, a Committee was chosen to Conduct the matter of Complaint against Mr. Clement B. Willy as before stated. The Committee were Deacon Joseph Wilder, Deacon Lovel Parker, William Taylor and Jared Raxford to act in behalf of the Chh. Charges were exhibited to the Committee by Deacon Joseph Wilder against Mr. Clement B. Willy as follows:

He Testifyath and saith that Clement B. Willy stands charged before this Chh. by report of the several crimes and accusations following, which in his opinion are criminal according to the Gospel, as First -

3ly.- His steadily withdrawing himself from attendance upon the Lord's Supper and the House of God, for a great length of Time past, and although repeatedly spoken too by the Chh. has shown his Contempt of them by not attending according to his Word and Promise, and the said Joseph Wilder asketh and
P.11 desireth that enquiry by this Church may be speedily made concerning these Complaints, and that if he shall be found Guilty, this Chh. may proceed and cause Judgement to go forth against this said clement B. Willy the Gospel in such cases directs. And he the said Deacon Joseph Wilder saith. That in support of the above Complaint, would Cause to be Cited, in support of the first article, Enoch Gains, of New Hartford and others that upon enquiry may be thought proper. On the second Complaint Mr. Parmele and his wife of Durham in this state where the child lived. In support of the third and last he deposeth and saith, It is a Thing fully known to the whole church.

Next follows the affadavit or Deposition of Eliphaz Parmalee and his wife.

We, Eliphaz Parmelee and Noah Parmelee, both of Durham, in the County of Middlesex, both of Lawfull age, Testify and say, that on the 24th day of June in the year 1802, there came to our House in said Durham, a man who said his name was Marsh, and that he lived in East Haddam in the society of Hadlime, and he
P.13 the said Marsh said his wife was sick at Hadlime with a Consumption and did not think she would continue but a very few days, and said, we have an Infant which is our only child, and its Mother is so sick that she is not able to take any care of said Child, and he the said Marsh, as he called himself, said he had been sometime looking a place for said child to be kept for six months, and requested us to keep the child for said Term, which we agreed too. About Ten Days after, there

came a Man to our House whose name was Messenger, and with him a Woman which brought the child for us to keep, according to agreement, and the woman said, the Father which made the agreement with you to keep the child, would come in One month and see you and make you some pay, and the Father of the Child, the Woman said, lived in Hadlime, and his name was Marsh. And we further Testify, that the same Man which called his name Marsh, has since executed writings to us by the name of Clement B. Willy, and we have writings now in our possession of his executing by the name of said Willy. And the Deponents further saith not.

Accordingly having heard of his return, a Church Meeting was appointed the first Sabbath in Feb. 1806. And the following Information was sent to Mr. Willy, Barkhamstead, Feb. 3, 1806.

Mr. Clement B. Willy, Sir, This is to inform you that a Chh meeting is appointed to be attended at the Meeting House

The Chh met according to appointment but Mr. Willy not appearing, and the Chh not being certified that he had received the Notification, they Thought best to adjourn to Friday, the last day of this same Month at 3 o'clock, and that Mr. Willy be notified of it. A Similer Letter to the above was written Feb. 7, 1806, informing him of the adjournment and time of meeting.

The Chh met according to adjournment, and Mr, Willy not appearing, and as no knowledge could be had that he ever wished to appear: the Chh thought further delay could be of no use, and accordingly proceeded to the following Vote.

That it appeared to them that the second Charge in the Complaint had been fully proved: and the Third was known to every Man in and out of the Chh. that it became their indispensible Duty to excommunicate said Clement B. Willy from being any longer a Member of this Chh. and that the 2nd Sabbath in March instant be the Time to declare his excommunication in Publick. Be it known, therefore, that this Day, Clement B. Willy, for the Crimes alleged and proved against him in the Complaint brought against him by Deacon Joseph Wilder, a Member of this Church, and the great length of his absence from Christian ordinances and worship, is Excommunicated and Cutt of from being any longer a Member of this Chh.

The following charges were alleged against Sarah Pike, wife of James Pike, by Wm. Taylor, Lovet Parker, & John Ives, viz:

1st charge, adultery - 2nd charge, lying - 3rd charge threatining to kill her husband.
These brethren testified before the church this day, that they had taken the steps of the Gospel with said Sarah Pike, and farther on that they had read the summons of the church to her, to give her attendance this day, with the

above charges, & that she had given them no satisfaction. The Church upon examination of witnesses found Sarah Pike guilty of the three charges above specified. Dea. Lovet Parker, John Ives, Mrs. P. Eells, Mrs. Tiffany, wife of Dr. Tiffany, were the evidences; their testimony was so full & satisfactory, that the church had no doubt of her guilt: and were of opinion, that duty required them to cut her off: they accordingly past the following vote, viz: Sarah Pike is from henceforth cut off from this church and its privileges, from its ordinances, followship & watch, & is from this time forth, to be considered & treated as an heathen and a Publican.

P.19 Signed, Elihu Mason, Pastor.

1814, Dec. 11
The following articles of Faith and Covenant were adopted by unanimous vote of the Church.

CONFESSION OF FAITH

You belive that the scriptures of the Old and New Testament were given by inspiration of God, and that they are proffitable for doctrine, for reproof, for correction, and for instruction in righteousness. You believe in the Articles of Our Most Holy Faith, as contained in these scriptures.- First, You believe in the existence of One only Living and True God, the Father, Son and Holy Ghost, the Great Creator, Preserver and Governor of all worlds. - You believe that God made our first Parents after the likeness of his own moral image, consisting in knowledge, righteousness and true holiness, - You believe that being left to the freedom of their own wills, they fell from their pristine purity, into a state of sin and misery, by which means, they became totally depraved, and fit subjects of God's wrath and curse. - You believe that in consequence of their apostacy God hath left all their posterity to fall into the same sinful state; by which means they also have become totally depraved and fit subjects of the same wrath and curse - You believe that God, out of mere Grace, hath opened a new way of life to fallen, guilty sinful men, by the mediation of His Own son, Jesus Christ; who hath
P.20 offered up himself an atoning sacrifice to God for their sins, and that all are invited to put their trust in him, and to return to God through him; and that there is no other name given whereby they can be saved. - You believe that Mankind, in their present fallen state, are so utterly opposed to God, and to a reconciliation with him, that without the special

influence of his spirit, they will never savingly hearken to, or comply with the Gospel call, so that the conversion and salvation of sinners is wholly owing to the distinguishing sovereign grace of God - You believe that those who shall finally be saved were by the Father given to Christ in the Covenant of redemption; that they are effectually called by the spirit, who convinces them of sin and misery, enlightens their minds into the knowledge of the truth, renews their wills, and enables them to embrace the Saviour as he is freely offered in the Gospel: that they are Justified wholly by the righteousness of Christ, imparted to them, and received by Faith alone; that they are adopted into the members, and have a right to all the privileges of the sons of God: that they are sanctified daily by the spirit, and enabled more and more to die unto sin, and to live unto holiness, so that they shall finally persevere unto the end and be saved. - You believe that the law, as a rule of life, remains in full force to believers, so that perfect holiness of heart and life is their duty and that the Gospel of free grace does not in any respect, allow them to live in
P.21 sin. - You believe in a general and particular Providence. - You believe in the Ordinance of Baptism and the Lord's supper, in the Christian sabbath, and that it is the duty of all publicly to worship God on that holy day according to his requirements. - You believe in the resurrection of the dead, both of the Just and of the unjust; and that God hath appointed a day, in which, he will judge all men according to their works: that the Righteous shall then be received into a Kingdom prepared for them from the foundation of the world: and that the Unrighteous shall be banished from the presence of God, into Everlasting Punishment, prepared for the Devil and his Angels.

THE COVENANT

Standing in the presence of the Most High and Holy God, and being awfully sensible how great a thing it is to transact in Covenant with him: confiding at the same time on his gracious assistance and sustenance through Jesus Christ, you do now enter into a solemn covenant with him, and with the Church of Christ in this place - Confessing all the

P.22 sins which you have ever committed, and your present unworthiness, you do freely give up yourself (or yourselves) to God the Father, to his Son Jesus Christ, and to the Holy Ghost, promising by the help of divine grace, that you will cleave to the supreme Being, as to your chief Good, and to our Lord Jesus Christ, by faith and new obedience, as to your only Saviour, - To the Church of Christ in this place you also give up yourself (or yourselves) promising to walk together with them according to the will of God, avoiding the sinful pleasures and practices of the world, subjecting yourself (or yourselves) to the discipline and government of Christ in this Church. - You furthermore engage that you will conscientiously attend the ordinances of God's House, as he shall enable you by the assistance of his Grace.

P.48 1833 Feb. 3
The following persons were chosen to be the standing Committee of the Church, viz: Dea. John Whiting, Dea. Virgil Taylor, Joel Taffany & Rollin Newell.

Dec. 12
At a regular Church meeting, after due deliberation, the Church came to the following result. - Whereas Brother Lorrain Giddings has for several years absented himself from the communion of this church & has recently been active in procuring Univeralist preaching within the bounds of this congregation & has avowed his belief in the doctrines of the Universalists - a belief which inconsistent with the confession of faith of this church & as we believe subversive of the Gospel of Christ, an opiate to a guilty conscience & a hindrance to conversion, sanctification & salvation: & whereas he has communicated a wish to be separated from the Church. Therefore, the Church, to bear proper testimony against the dangerous errors into which he has been drawn, & to express the sense they entertain of the inconsistency there is
P.49 that he should continue to be in

communion with the Church in his present belief, & after the course he has taken, do vote his suspension, & he is hereby suspended from the Communion of this Church. But tho, impelled by duty to this act, the Church would still treat him as a brother & do hereby appoint Dea. Virgil Taylor, a Committee to tell him his fault & labor with him according to the Gospel, with a view if possible to gain our Brother.

1834, Jan. 6

The following confession was voted to be satisfactory to the Church.

Brethren, I feel that I have not lived as becomes a Christian, that I have neglected the Communion table & that I have done that which was not right for a Professor of religion to do. I feel a sincere regret that I have attended to youthful amusements as I have & I regret that I ever went astray from my
P.50 duty as a Christian. I now feel that I have evidence of a hope in the Savior. I humbly ask your pardon & desire your prayers that I may never more depart from my duty to God & man.

Barkhamsted, Jan. 2, 1834. Anson Wildman.

July 3

Appeared before the Church, Geo. & Mary Gains and made confession of several past delinquences which was voted to be satisfactory to the church.

1833, Dec. 12

Whereas Lorrain Giddings has for several years absented himself from the communion of this church & has recently been active in procuring Universalist preaching in this place & has avowed his belief in the doctrines of the universalists - a belief inconsistent with the faith of this church, subverting of the
P.51 Gospel, an opiate to a guilty conscience, & a hindrance to conversion & salvation & whereas he has communicated a wish to be separated from the church. Therefore, the church, to bear a proper testimony against the errors into which he has been drawn & to express their sense of the inconsistency of his remaining in communion with the church, after the course he has taken, & the avowal of his sentiments, do vote his suspension, & he is hereby suspended from the communion of this church. But though, after much deliberation, impelled by duty to this act, the Church would still treat him as

a brother & appoint Dea. Virgil Taylor, a committee to tell him his fault & labor with him according to the Gospel, with a view if possible to gain our brother.

1834, Dec. 24

Reports having reached this church, that Joel Tiffany Jr., residing at Medina, Ohio, had apostatised from the faith of the gospel. A letter was written him to ascertain his religious views & if reports were true, to tell his fault & admonish him in a Christian manner. After much delay an answer was received informing the church that he was a bold & decided infidel, denying all revelation from God to man. By direction of the church a second letter was sent him, according to the Apostle's rule, "After one or two admonitions," and after suitable delay
P.52 without answer. Therefore, after much prayer, voted unanimously that Joel Tiffany Jr. having apostatised from the gospel faith & denied the inspiration of the holy scriptures, thus dishonoring God, wounding his Christian friends & violating his solemn vows & refusing to hear the church, is hereby declared, in the name of the Lord Jesus Christ, to be excluded from the communion of this church.

1835, Jan. 1

Whereas Lorrain Giddings has withdrawn from the communion of this church & has espoused the opinions & cause of the universalists & has thus violated his covenant, dishonored God, injured the cause of religion, wounded the feelings of his Christian friends & has refused to hear the church. Therefore this church do withdraw themselves from him, & hereby declare that his connection with us as a member is at an end.

1837, Jan. 10

John H. Whiting voluntarily confessed his backslidings, his passionate & profane expressions, his permiting his name to be published in the universalist papers as renouncing the faith of the church which he had confessed. He now publicly renounced his universalism, asked pardon of God & his brethren & promised by grace to lead a consistent christian life hereafter.
